

7<sup>th</sup> Annual Conference  
American Council for Medicinally Active Plants  
June 29-July 1, 2016  
Lima, PERU

## FIELD TRIP INTERNATIONAL POTATO CENTER (CIP)

ACMAP attendees will have the opportunity to visit the International Potato Center located in La Molina, Lima. This visit is limited to 40 people (see details below).

CIP is one of the 15 specialized world research centers of the Consultative Group on Agricultural Research and holds the global germplasm collection of potato, sweet potato and other Andean root and tuber crops.

CIP's mission is: *"...to work with partners to achieve food security, well-being, and gender equity for poor people in root and tuber farming and food systems in the developing world."* For more information about CIP, please check [www.cipotato.org](http://www.cipotato.org).
